One by one Lord, I see and love
all those you have given me
to sustain and charm my life,
and for these — I thank you.

And I call on all who surround me
and support me — though I
may not know them . . .

And I call on all who will die
or be born today.
All of them Lord I try to gather
into my arms,
And I hold them out to you
in offering —

Senior Class Trip

New York City nicely done girls

The way is long,
let us go together.
the way is difficult,
let us help each other,
the way is joyful,
let us share it,
the way is ours alone,
let us go in love,
the way grows before us,
let us begin.
